STREET REPAIRS AROUND TOWN

We are trying our best to repair some streets thru town-you may have noticed, improvement on some streets, please be patient as we try and repair more.

DOWNTOWN IMPROVEMENTS

We have a major improvement happening downtown. Tim & Nikki Winn are working on renovating the 100 plus year old building, that we locals know as the old drug store or the Bassett Building. What's in store for the old building...well we will just have to be patient and wait and see!!

Many of you may have noticed the Kosse Café is getting some new features, we are told it is a new storage area, and an outdoor patio. It is still in progress. Looking good just in time to enjoy the nice crisp outdoor air.

KOSSE CITY PARK NEWS

You may have noticed an additional sign in the City Park. The park has been dedicated to Nora Ensminger, who was a long time employee of the City of Kosse. Nora was very instrumental in the acquiring of the land for the park as well as the very first installment of playground equipment.

BILLY JONES DAY

We were closed on October 10th, in observation of Billy Jones Day!!! Billy was a long time city employee, who we dearly miss.

The repairs and renovations on the Kosse Community Center are coming along nicely, a large thank you to Jarred & Teresa Teafatiller and family and to the Kosse Masonic Eutaw Lodge for their volunteerism. Big Thank you to Brooks Valls for seeing things thru to completion.
